Hi Everyone!

Welcome to Drew Hall Third Floor, the LGBTQ+/Social Justice Floor.

About Me

My name is Jennifer Martinez Badillo (she/her), and I'll be your 2023-2024 RA. I am a Global Studies Major with an Education Minor, Psychology Minor, and a Teaching English as a Foreign Language Certificate. I'm from Bloomington, MN. I am a first-generation college student. I enjoy photography and as a first-year I took Digital Photography. That same year, I was 1 of 5 students selected to show work for Open Studios 2020, a university wide-event. I enjoy listening to music. My first concert was Conan Gray. I enjoy animals. I've had some pets growing up, but hoping to get a cat(s) and dog(s) after college.

Life On-Campus

This is my second year as an RA. I'm looking forward to the kitchen and laundry room on our floor and creating a safe environment for everyone. Alongside your academics, I recommend getting involved in something you enjoy on-campus. I was a part of a couple student organizations, and jobs on campus during my time so far at Hamline. I recommend emailing your professors with questions or concerns, keeping communication is helpful. There are many events around campus that you can go to. Let me know if I can help with anything to make your experience at Hamline the best.

Living On-Campus

Bring	Don't Bring
A Fan!!!	Twinkle lights THAT ARE NOT LED.
Power Strips with an Off/On Switch	Microwave or a mini-refrigerator, they're provided
Twin XL Bed Sheets	Toasters, hot plates, candles, incense
Shower Shoes	Alcohol, drugs, illegal substances, weapons
Hangers	Air conditioner

Living with a Roommate

If you are living with a roommate this upcoming year, I recommend talking to them in advance about who will bring what. It's also a way to get to know your roommate ahead of time! As a sophomore, I lived with three other roommates on-campus, and it was an amazing experience. I got to know them more personally, receive advice, and make memories.
