

Apartments 1st Floor

R.A. Joe Mason III

Welcome! I am looking forward to meeting you and welcoming you to the 1st floor of the Hamline Apartments! My name is Joe and I am a senior majoring in Business Management & Marketing. I will be receiving a music certificate from Hamline next spring as well.

Outside of my academic life, I am a professional musician (drums) and entrepreneur, serving as the proud business owner of the entertainment company and Afro Gospel-Fusion band “Gifted Handz.”

As your R.A. I want to cultivate a respectful, warm community, and a tranquil floor. I’m all about reaching new heights and inspiring others to do the same. I can’t wait to meet you all and help make this year memorable and prosperous.

Life on Campus

Make the most of your time here on campus! Get involved with student orgs, go to sporting games, figure out who has your same major, and find out about all the academic resources available.

Get outside of your comfort zone and meet new people. You create the campus experience you want for yourself. These are all things that I live by and have ultimately made my time here such a fruitful experience. I want to also stress getting in contact with your roommate and finding out what each of you are bringing to campus so you don't bring two of the same thing; it ultimately saves money.
