

## ... Welcome to Drew 3rd Floor! ...

Hello and welcome to (or back) to Hamline! I can't wait to meet you all and create so many fun memories with you all :) I'm from Gilbert, AZ and I'm double majoring in Criminal Justice and Forensic Science!

I'm also the President of Spectrum! So if you ever have any questions my ears are always open :]

This will be my second year as an RA, and I'm really looking forward to this school year! If this is your first year, I know this will seem difficult, however trust me you'll fall in love with it in no time! Besides, you can always visit your family on the weekends or call them up if you ever get homesick. If anything ever feels too difficult don't forget to reach out to your advisor or any resources on campus for almost anything! To anyone trying to readjust to living on campus, I highly recommend going to events to get to know other people with similar interests and/or just to have fun! :) But I'm always here if you need someone to talk to or just to hang with :p

On the next page will be a list of items I recommend bringing, as well as items you SHOULD<sup>N</sup>'T bring :]

If you have any intentions of bringing a pet, they must be an approved Emotional Support Animal first...fish are fine though :]

**MAKE SURE TO CONTACT YOUR ROOMMATE!** Just so you know what you are each bringing...so you don't accidentally bring 2 TVs! Also to just get to know each other better and get to know each others schedules :]

If you have any questions, feel free to reach out to me!
