Hello and Welcome!

Hello! My name is Matías Clauson (he/him). I am your RA for the 2024-2025 academic year. I cannot wait to meet all of you! I just wrapped up my first year at Hamline and am majoring in English and Communication studies with a minor in Spanish. I was born and raised in Mexico but moved to Minnesota a few years ago. I enjoy playing most sports and am part of the Rock Climbing Club on campus.

I look forward to being your RA and making your transition and time at Hamline positive and fun!

Also make sure to keep in touch with your roommate before moving in. Not only to start forming a friendship and bond but to ensure you don't bring duplicates.

If any questions or concerns arise feel free to reach out! Email - mclauson03@hamline.edu

I am eager to meet all of you and make this year amazing together!
