

Welcome to Hamline University!

Hello everybody! I am so excited to get to know you all during this upcoming school year!

My name is Leo Jones and I will be your RA for the 2024-2025 school year. I will be a sophomore and will be majoring in Physics. I was born and raised here in the Twin Cities, specifically Minneapolis.

I am a massive car person, everything from Formula 1 to project cars I enjoy. I am also a Star Wars and MCU fan. I have seen almost every movie and show involving these franchises. I am also a casual sports fan. I watch football, soccer, and basketball and am an avid supporter of any Minnesota sports teams. I enjoy playing video games such as Call of Duty Modern Warfare 3, Forza Horizon 5 and Star Wars Battlefront. I love listening to music in my free time.

This will be my first year as an RA but I look forward to what is in store for us throughout the school year! A tip for coming into college is to try and contact your roommate as soon as possible and start to plan what each of you are bringing (so you don't end up with 2 of everything). Talk to them and learn about their interests and hobbies. I know coming into college is stressful but I will be here to help with any concerns and questions you may have.

Contact info:

If you have any questions over the summer you can email me at ljones24@hamline.edu (please include your first and last name in the email). I can't wait to meet you guys!

Sincerely from your RA,

Leo Jones
