

Welcome Residents! – Fall Semester 2024

Hello! I'm **Vito Alomari** [He/Him], your **RA** for the **2024-2025** academic year! A little introduction: I'm a Neuroscience major with a minor in Education, following the Pre-Medicine track. Currently in my second year at Hamline University, originally from Virginia Beach, Virginia!

I'm into surfing and just love chilling out at the beach whenever I get the chance!

I'm really looking forward to being your RA and helping make your experience here at Hamline awesome! Make sure to **get involved on campus by attending events** – that's how I met some incredible people during my first semester here!

Keep in touch with your roommate before move-in day to coordinate belongings and avoid duplicates, such as having two trash cans. Living with someone new in college presents an **exciting** chance for forging new **friendships** and sharing **experiences**.

Effective communication can **help prevent conflicts**, so keep those lines open!

Feel free to reach out if you have any questions about what to bring (or not), or any general questions—or simply to connect! I'm looking forward to getting to know all of you and making this year amazing together!
