

WELCOME 2024-25 RESIDENTS

My name is Savannah Williams (she/her), and I am your Resident Assistant (RA).

I originally come from Colorado but have lived in Minnesota for seven years with my grandmother, mother, and labradoodle. I love listening to music, gaming, traveling, and reading poetry! In the 2024-2025 academic year, I will be a senior STEM Education major with a concentration in Mathematics. Yet, this will be my second year at Hamline University as I originally came from Normandale Community College, where I received my Associate of Arts in Liberal Education degree. Since being at Hamline, in addition to being your Resident Assistant, I also work at the on-campus Starbucks.

This upcoming academic year will be my first year as a Resident Assistant, and I am ecstatic to share this adventure with you all. As you transition from home to Hamline, let me advise you on some things! I always love to tell others to make their dorm fit who they are and make it cozy!

How to connect with me at any time

 swilliams26@hamline.edu

As someone who has lived in only a single dorm throughout my dorm life, I encourage you to get involved with the on-campus events and opportunities to be involved in the community! That's how I became who I am today and met incredible people during my first year at Hamline. I look forward to being your RA and helping make your experience here at Hamline incredible!

Once again, if you have any questions or concerns, please do not hesitate to contact me! I will respond as soon as possible to ensure you get your answer quickly.

Sincerely,
RA Savannah
