

Welcome!

Hi! My name is Alejandra (she/they) and I will be your RA for the 2024-2025 school year. I am so excited to meet all of you!!

I am an upcoming junior majoring in Forensic Biology. This will be my first year as an RA. I grew up in the St. Paul area but moved to Stillwater shortly after. Besides being an RA, I am also a board member/editor for the Fulcrum (Hamline's Literary and Arts magazine) and a cheerleader for Hamline. In my free time I like to watch movies, draw, read, listen to podcasts, do some self care, and create several Pinterest boards.

Some advice I have is to not take on much more than you can handle. While joining several clubs sounds like a good idea at first, sometimes it can become overwhelming and it's best to take a step back and evaluate what you can and can't actually do.

Another piece of advice I have is to connect with your roommate! Hitting it off before move-in day can definitely make things easier and can also help you both save on any items you might want to share.

Please feel free to contact me if you have any questions at all. I would love to help ease any of your concerns before entering the school year. Looking forward to meeting all of you :D

Peace and Blessings,
Alejandra
