

Hello! I'm Taylor Tadych

Welcome (or welcome back) to Hamline!
I'm so excited to be your RA this semester!
I cannot wait to get to know you and
create a positive community in the coming
months.

I'm a junior majoring in English and
Communications Studies and Creative
Writing, with a minor in Business
Practice. In addition to being an RA, I'm
heavily involved in the Fulcrum Journal
and Student Media Board on campus!

I love reading, writing, collecting
vinyl (my favorite artists are Taylor
Swift and Carole King), watching
theater productions, playing
instruments, and spending time with
my cat, Chapter, who is quite possibly
the most spoiled feline in existence.

I'm here to support you, so please
reach out if you have any questions!
