

Hello, welcome to or back to Hamline. My name is Hayvin (she/her) and I am your RA for this year. A little about me: I am from Washington State - so a bit away from home, I love to crochet - especially stuffed animals, I like photography, I'm a night owl...often awake way past when I need to be asleep. I am often in my room, don't be afraid to knock if you need me.

This is my third year as an RA and my last year at Hamline. My recommendation, especially at the start of the year, is to get out and go to events around campus. They are the perfect place to meet new people and find new friends, or just have a fun way to spend your time.

A reminder to try and get in contact with your roommate(s) to get to know them. It also makes it easier on move-in day because you already have some idea of their personality and can coordinate who brings what (like a toaster). If you have any questions email me at hwolf01@hamline.edu, otherwise, have a great rest of your summer and I look forward to seeing you on move-in day!
