

Welcome 2024-25 Residents!

My name is Hanan Abdi and I will be your RA for the 2024-25 school year. I was born and raised in DireDawa, Ethiopia. I graduated from Edina High school and I'm currently a junior double majoring in Biochemistry, English and Communication Studies. In my free time I enjoy hanging out with friends, reading and hiking. I am all about dental hygiene so after undergrad I am going to dental school to become a dentist.

RA-HANAN

This is my first Year as an RA but I am so excited to meet you and help you with anything you need as your RA. My door is always open!! As you transition to hamline some of the most important advice I can offer is to take advantage of the resources on campus. Starting with your professors office hours! (Whether or not you need it) This is how you build relationships with your future letter of recommendation writers. Reach out to the health & counseling services whenever you're feeling under the weather, visit the financial aid office to get help filling out the fafsa, etc.

Finally, get in touch with your roommate before move-in day! It's really nice to have a friend when you get here, but also to coordinate what each person is bringing so you don't accidentally pack two TVs and no trash can.

Enjoy the rest of your summer and I look forward to meeting you all!

Please feel free to email me if you have any questions or concerns throughout the summer!!!
