

# Hello Residents!

My name is Kat Mason and I will be your RA this year! I'm a senior and my major is Public Health with a Public Policy concentration. On campus, I work at Conference and Event Management (so I always know about the best events to go to). I love flower pressing, reading, and my favorite shows (Buffy the Vampire Slayer and Fullmetal Alchemist Brotherhood). I am very familiar with the Twin Cities area as I've lived here all my life so if you're ever tired of Anderson dining food feel free to ask me about my restaurant recommendations.

This is my second year as an RA and I am looking forward to meeting you all! My advice for all of you is to get involved. Going to events, joining a student organization, or even getting a work study are great ways to meet new people and make the most of your time here.

**Communicate!** Make sure you contact your roommate before it's time to move-in. It's a good way to break the ice and work out who is bringing what. Please don't hesitate to contact me if you have any questions (no matter how small) at my email [kmason06@hamline.edu](mailto:kmason06@hamline.edu). I am here to support you!
